

**MONDAY, CONCURRENT SESSION 1 1:30 PM - 3:00 PM**

**Day 1 Theme: Coastal Watersheds and Estuaries Theme Chairs: Helen Drummond and Linda Shead**

	PHYSICAL	ECOLOGICAL	ECOLOGICAL	CULTURAL	POLITICAL	POLITICAL
	Viewfinder 9 <sup>th</sup> floor	Ivy Room 2	Ivy Room 1	Vine Room 2	Vine Room 1	H
	Shead & Davenport	Drummond & Giattina	Drummond & Giattina	Taylor & Coley	Duff & Fletcher	Duff & Fletcher
Panel Leader	Chuck Wemple	Laura Letson	Catherine Rogan	Josh Lott	Dan Suman	
Panel Title	The Importance of Water Quality to Estuary Health	Protection and Restoration of Estuaries	Beneficial Uses of Dredged Materials in Coastal Areas	Coastal Impact Assistance Program: Stimulus for the Coast	Marine Protected Areas: Policy and Trends	Information for Coastal Planning I
Presentation 1 (1:30 - 1:50)	Sipocz, Andrew Southeast Texas Isolated Wetlands and Their Role in Maintaining Estuarine Water Quality	Kineon, Forsyth The Restoration of the Oyster Industry and Culture in the Delaware Estuary	<b>Gorini, Richard Design and Management of Beneficial Use Sites</b>	Boyt, Jeb The Coastal Impact Assistance Program in Texas	Don, Cristen A Look at the Institutions and Legal Authorities that Can Foster Protection to Marine Areas Surrounding the San Juan Islands National Wildlife Refuge	Hade, Nicole Perceptions on Developing and Implementing Section 6217 (Coastal Nonpoint Pollution) Programs
Presentation 2 (1:50 - 2:10)	Giffin, Dan Hydrologic and Biogeochemical Implications for Ecological Indicators	Ferriss, Bridget Environmental Indicators for Estuaries: Perceptions of Practitioners in Coastal Estuaries of the Pacific Northwest, U.S.A.	Gorini, Richard Using Dredge Material for Environmental Projects	Froelich, Adrienne NOAA Ocean Service	Suman, Daniel Comparison of management strategies in South Florida marine protected areas (MPAs)	<b>Imperial, Mark Using Collaboration as an Implementation Strategy: Lessons Every Practitioner Should Know</b>
Presentation 3 (2:10 - 2:30)	Burroughs, Richard Uncertainty in Dredging Decisions: Diagnosis and Alternatives	Hinson, James Protection of Estuarine Habitats During Submarine Transmission Line Construction	Glass, Phil Colonial Waterbird Nesting Islands	Buttross, Jayne Mississippi Department of Environmental Quality	Davis, John Current Policy Trends in the Planning and Management of Marine Protected Areas	Poirier, Marc Palazzolo v. Rhode Island in Context
Presentation 4 (2:30 - 2:50)			Seidensticker, Eddie Planting of Large Scale Marsh Projects	DuCote, Greg Louisiana Department of Natural Resources	Davis, Braxton A National Inventory of Special Management Areas in the Coastal Zone	

<p style="text-align: center;"><b>MONDAY, CONCURRENT SESSION 2      3:30 PM - 5:00 PM</b></p> <p style="text-align: center;"><b>Day 1 Theme: Coastal Watersheds and Estuaries      Theme Chairs: Helen Drummond and Linda Shead</b></p>						
	ECOLOGICAL	ECOLOGICAL	CULTURAL	CULTURAL	POLITICAL	POLITICAL
	Viewfinder 9 <sup>th</sup> floor	Ivy Room 2	Ivy Room 1	Vine Room 2	Vine Room 1	H
Panel Leader	Joelle Gore	Tom Bigford	Paul Ticco	Mike Eng	Josh Lott	
Panel Title	Managing Cumulative Impacts	Technical Aspects of Management	Management of our Estuaries	Finding, Selecting, and Paying For Third-Party Neutral Assistance With Collaborative Processes	Law and Policy Effects on Onshore and Offshore Industry	Information for Coastal Planning II
Presentation 1 (3:30 - 3:50)	Cullen, Karen The Broad Creak Management Plan	Collins, Bill Acoustic Seabed Classification for the Identification of Sensitive Very Shallow Water Habitat	MacWilliams, Sarah Institutional Arrangements in Pacific Northwest Estuary Management	Jones, Robert Director, Florida Conflict Resolution Consortium	Weller, George State Regulation Of Foreign Vessels: The Intertanko Case and Beyond	Burroughs, Richard Goal and Trend Assessment to Target New Management Initiatives for Estuarine Ecosystems
Presentation 2 (3:50 - 4:10)	Sawyer, Calvin Achieving Sustainable Coastal Waters: Advancing Onsite Management in South Carolina	Batha, Robert Montezuma's Revenge; Moderating the Release of Contaminated Dredged Materials in a Wetlands Restoration Project	Leschine, Thomas Institutional, Economic and Social Influences on the Environmental Management of Coastal Estuaries: A View from the Pacific Northwest Coastal Ecosystems Regional Study	von Zahren, Dr. Wyndlyn Associate Professor, Marine Sciences Program	Duff, John Clarifying Marine Aquaculture Legal Rights: improving the legal interest framework	Flynn, Chris TOWARDS IMPROVED COASTAL RIVER MOUTH BREACHING
Presentation 3 (4:10 - 4:30)	Simler, Brooke The Catalogue of Oregon Marine and Coastal Information: Meta-data to inform area-based management	Schuttenberg, Heidi Assessing Coral Reef Management Gaps in the East Asian Seas	Stoffey, Bridgette Measuring the Success of Implementation in the National Estuary Program	Stansbury, Jim President, Stansbury Solutions by Design, Inc.	Cohen, Kimberly Demonstrating the Utility of GIS to Facilitate the Aquaculture Site Selection Process in Massachusetts	Zelo, Ian Florida BlueWays - Characterizing Coastal Management and Integrating it with Human-Use and Ecological Information
Presentation 4 (4:30 - 4:50)	Currey, Shari Assessing and Managing the Environmental Impacts of Personal Watercraft (PWC)	Kurz, Whitney Field Assessment of the Behavior of Horseshoe Crabs, <i>Limulus polyphemus</i> , and the Impact of Biomedical Bleeding on Movement Patterns on Cape Cod,		Mayes, Analee President, Consensus Builders, Inc.	Ellin, Rebecca Northern and Central California Coastal Wetland Inventory and Geographic Information System	Rayburn, Ralph Integrating the Texas Sea Grant College Program into the State's Coastal Management Regime

		Massachusetts

**TUESDAY, CONCURRENT SESSION 1 1:30 PM - 3:00 PM**

**Day 2 Theme: Ecosystem Perspectives at the Regional Scale, The Gulf of Mexico Case Study Theme Chairs: Jim Giattina and Tom Bigford**

	PHYSICAL	ECOLOGICAL	ECOLOGICAL	CULTURAL	POLITICAL	POLITICAL
	Viewfinder 9 <sup>th</sup> floor	Ivy Room 2	Ivy Room 1	Vine Room 2	Vine Room 1	H
Panel Leader		Tom Bigford	Debbie Sparks	Diana Olinger	Mike Eng	Ole Varmer
Panel Title	The Physical Coasts Across the U.S.	Regional Approaches to Eco-System Based Resource Mgmt.	The Role of the Community in Restoring Environmental Health	Economics & the Coasts	Saving The Everglades: Tools and Strategies For Building Consensus and Resolving Conflicts	Cruise Ships: Issues & Solutions
Presentation 1 (1:30 - 1:50)	Smyk-Newton, Rachel A Regional Approach to Shore Erosion Control in the State of Maryland	Lowell Bahner and Derek Orner, NOAA=s Chesapeake Bay Office	Sparks, Debbie NMFS Galveston Bay Laboratory  Quenton, Dr. Dokken Gulf of Mexico Foundation	Hudgens, Daniel The Economic Impact of Sea-Level Rise for California	Jones, Robert Director, Florida Conflict Resolution Consortium	Williamson, Randall and Dawn Hoff Insights Into Past Problems With Marine Pollution from Cruise Ships
Presentation 2 (1:50 - 2:10)	Revell, David Sandshed Planning: A Case Study in Bandon, Oregon	Busch, Dieter Atlantic States Marine Fisheries Commission  Mayer, Garry F. NOAA=s National Marine Fisheries Service	Goldberg, Alisha Galveston Bay Foundation	<b>Kildow, Judith</b> <b>Economics: The Missing Link to Rational Decisionmaking</b>	Stansbury, Jim President, Stansbury Solutions by Design, Inc.	Conway, Michael A. Alaska's Commercial Passenger Vessel Environmental Compliance Program
Presentation 3 (2:10 - 2:30)	Kelly, Sheryl Describing and Understanding Socioeconomic, Demographic, and Environmental Change in North Carolina Coastal Counties: A Pilot Project	Graciela Garcia-Moliner, Virdin Brown, and/or Richard Appeldorn, Caribbean Fishery Management Council	Mason, Lalise Whorton Scenic Galveston, Inc.	Adams, Chuck Economic Consequences and Public Awareness of Red Tide Events in Coastal Florida Communities	Mayes, Analee President, Consensus Builders, Inc.	Hurld, Kathleen Waste Streams From Cruise Ships
Presentation 4 (2:30 - 2:50)		Lynch, Maurice Virginia Institute of Marine Science	Taylor, Joel Clear Creek Environmental Foundation	Carlisle, Elsa The Impacts Of An ESA Listing On a Killer-Whale-Based Whale Watching Industry	XXXXXXXXXXXXXX	Crye, J. Michael Industry solutions to marine pollution issues

**TUESDAY, CONCURRENT SESSION 2      3:30 PM - 5:00 PM**

**Day 2 Theme: Ecosystem Perspectives at the Regional Scale, The Gulf of Mexico Case Study      Theme Chairs: Jim Giattina and Tom Bigford**

	PHYSICAL	ECOLOGICAL	CULTURAL	CULTURAL	POLITICAL	POLITICAL
	Viewfinder 9 <sup>th</sup> floor	Ivy Room 2	Ivy Room 1	Vine Room 2	Vine Room 1	H
Panel Leader		Chris Rilling		Megan Bailiff	John Duff	Pat Kraniotis
Panel Title	The Needs of Coastal Habitat & its Restoration	A Focus on Texas Ecosystems	Cultural, Historical and Educational Aspects of Coastal Management	Influencing Marine Protected Area Policy	Fisheries Management & Stakeholders	Aquatic Nuisance Species in Ballast Water: Issues & Solutions
Presentation 1 (3:30 - 3:50)	Tronvig, Kristen Application of Tidal Datums and High Water Analyses to Marsh Restoration	Lester, L Anomalous Trends in a Meta-analysis of the Phytoplankton-based Food Webs of Galveston Bay	Henson, Truman Americorps - Cape Cod; Getting Things Done	Lyons, Sarah Developing a Social Science Strategy for MPAs	King, Lauriston Politics and the Fisheries Resource Manager	Barrett-O'Leary, Marilyn The Threats from Aquatic Nuisance Species (ANS) to our Environment and Economy
Presentation 2 (3:50 - 4:10)	Wood, Katie San Francisco Bay Habitat Restoration: The Role of Science in Public Policy	Hogan, Jennifer Distribution and Nesting of the Texas Diamondback Terrapin ( <i>Malaclemys Terrapin Littoralis</i> ) in Galveston Bay	Coley, Camille Translating Gender into the Resource Stewardship Equation	Fish, Thomas Marine Protected Areas Media Analysis: Using Computer-Assisted Content Analysis to Assess Public Opinion	Asplen, Lisa Ecological Restoration in Theory and Practice: The Discourse of Salmon Policy in the Cedar River of Washington State	Newsham, Scott The Coast Guard Aquatic Nuisance Species Program: Agency Actions to Reduce Ballast Mediated Introductions of Non-Indigenous Species
Presentation 3 (4:10 - 4:30)	Sweeney, Caitlin Balancing Coastal Public Access and Wildlife Habitat Needs	McKinney, Larry Freshwater Inflows: The Key to Sustaining the Health of Texas Estuaries	Gallaway, Alecyia The Gulf Coast Frontier, the Saltgrass Cattlemen on the Coastal Marshlands	Patterson, Edward J.K. Cultural and Socio-Economic Influences in the Conservation and Management of Gulf of Mannar Marine Biosphere Reserve, Southeast Coast of India	Brown, Michelle Separating the Science, Community Priorities and the Policy Makers in a Multi Stakeholder Process: The Houston Env'1 Foresight Committee Case Study.	Johnson, Lindy Aquatic Nuisance Species: International Law and the International Maritime Organization
Presentation 4 (4:30 - 4:50)	Goldberg, Alisha Pierce Marsh -- Strategies for a Subsidied Area	Drimmen, Roy A Preliminary Total Maximum Daily Load (TMDL) Study on Dickinson Bayou, Texas.			Caffey, Rex Reconciling Fisheries Management and Wetland Restoration in Coastal Louisiana	Metcalf, Kathy Industry Perspectives and Approaches to Ballast Water Management

**WEDNESDAY, CONCURRENT SESSION      8:00 - 9:30 AM**  
**Day 3 Theme: International**

	PHYSICAL	ECOLOGICAL	CULTURAL	CULTURAL
	Ivy Room 2	Ivy Room 1	Vine Room 2	Vine Room 1
Panel Leader	Kenneth Walker		Laurie Jodice	Laurie King
Panel Title	Issues affecting Ports & Harbors	International Coastal Zone Management	Issues in Commercial and Recreational Fisheries Management	Change and Continuity in the United States Coastal Margin
Presentation 1 (8:00 - 8:20)		Villalobos-Zapata, Guillermo Lessons Learned from Coastal Management Experiences in Campeche, Mexico	Shivlani, Manoj Socioeconomic Monitoring of Commercial Fisheries in the Florida Keys National Marine Sanctuary: Major Findings from the First Four Years, 1997-2000	Hennessey, Timothy M. Assessing Adaptive and Maladaptive Management
Presentation 2 (8:20 - 8:40)	Good, Jim Reducing Vulnerability of Ports and Harbors to Earthquake-Tsunami Hazards	Tiwi, Dwi Abad The Indonesian Local Government, the ICZM, and the Decentralization of the EIA Process	Shikida, Asami An Evolutionary Perspective on the Development of Coastal Zone Management: A Case Study of Recreational Fishing in Japan	<b>Kildow, Judith T.</b> <b>The Coastal Economy: No Data, No Indicators of Change</b>
Presentation 3 (8:40 - 9:00)	Williamson, Randall Progress Made to Reduce Marine Pollution from Cruise Ships	Rivera-Arriaga, Evelia Coastal Management in Latin America and the Caribbean regions: Assessing International Aid	Azad, Abul Coastal Fisher of Bangladesh: Living on the Edge	Fish, Thomas E. Characterizing Change in Coastal Landscapes: Linking Human Ecology, Ecosystem Health, and Quality of Life
Presentation 4 (9:00 - 9:20)	Johnson, Leigh Taylor Improving Antifouling Policies and Implementation Through Stakeholder Involvement	Malltezi, Jamarber Challenges for Ecological Restoration and Sustainable Development at the Albanian-Greek Micro Prespa Lake		Thigpen, Jack Coping with Change in the Virtual Region: Utilizing Demographic Data for Coastal Needs Assessment
